

the people. We demand the passage of laws requiring the public registration of membership of all secret organizations and likewise a law against wearing masks and disguises in public or private places. The platform gives endorsement of Lieutenant Governor T. W. Davidson for his work in suppressing violence and in arousing the public conscience to the menace of masked bands.

The plank on prohibition demands publication of druggists' reports showing amounts of prescription liquor sold, the name of the physician prescribing and the gross profit on such business.

A resolution demanding that

Blocks of Beautiful Homes

IN describing any city or town with which he was impressed, the traveler will invariably say, "And there are blocks and blocks of beautiful homes!"

Question him further and you will find that few, if any, of the houses were mansions, but all of them—large and small—were well kept and painted. The beautiful home is the painted home—clean, bright and new-looking, despite its age.

"The Way to Beautiful Homes" is the copyrighted phrase used to express the purpose of BASS-HUETER Paints and Varnishes. This is no idle phrase. It is based on the fact that since 1857, BASS-HUETER products, coast made to meet western climatic conditions, have been found by countless home-makers to be the ideal way to beautify homes.

For the exterior of your home use BASS-HUETER Pure Prepared Paint. It is made of the best materials, has maximum covering capacity and will beautify and protect your property for years. In the end it is far less expensive than cheaper paints.

For interior use the BASS-HUETER line includes wall paints, floor paints, stains, varnishes, and enamels. Color cards will aid you in selecting the finish you wish; complete instructions on each can insure successful painting.

BASS-HUETER Paints and Varnishes can be had from the following dealers:
