Bill,

Thanks for participating in the stakeholder meeting yesterday. Offer still stands for a coffee and less formal conversation. Still interested in how we can find a solution that is successful for all.

Let me know.

All the best,

Kevin

Hi Kevin. Thanks for the legal analysis. I'd be happy to talk at some point. Give me a bit of time to digest this info and coordinate with my folks.

Bill,

I know your schedule is hectic. Would have time for a coffee, breakfast or lunch, to discuss our issues less formally. I would welcome the opportunity.

Let me know,

Kevin

Bill,

Happy New Year! I hope you had a good holiday season. Per our discussion just prior to the holiday, you requested, and we agreed to provide, a legal memo on existing authority to implement the Kigali amendment to the Montreal Protocol post-ratification. I am pleased to provide you the attached memo on behalf of the Alliance for Responsible Atmospheric Policy and the Air-Conditioning, Heating and Refrigeration Institute, prepared jointly by Jeff Holmstead and Bob Meyers.

We look forward to discussing this, as well as the related economic issues we raised, in the near future, and to working cooperatively with you during the year. Please do not hesitate to contact us if you have questions concerning the attached.

Best regards,

Kevin
