Kelly,

Speaking to Mr. Richards regarding mitigation in Alaska is very timely. Let Crystal Penman see if we can find a time that works. I will warn you that my schedule the week is absolutely crazy but we will try.

Lee – Hope you're doing well and that your 2018 is off to a great start. Frank Richards from AGDC will be in town next week. He wanted to get together with you to talk about wetlands mitigation issues. Are you in DC? Do you have time to meet on Wednesday? Thanks. Kelly
