AFFIDAVIT OF HAROLD RIDDAR

HAROLD RIDDAR, being first duly sworn on oath, deposes and states:

1. I am presently a consultant with DB Riley, Inc. (Riley Stoker). I was an employee of Riley Stoker from 1953 until 1989. I have personal knowledge of the facts set forth herein which I believe to be true and accurate.

2. Riley Stoker is in the business of designing, manufacturing and erecting fuel burning equipment such as boilers.

3. Riley Stoker maintains business records for each boiler it has designed, manufactured and erected. The records are organized according to Riley Stoker's customer's name.

4. I have investigated the business records of Riley Stoker to determine whether Riley Stoker designed, manufactured and erected any boilers at the Bush Terminal in Brooklyn, New York.

5. No Riley Stoker business records were found concerning boilers at the site identified in paragraph 4.

FURTHER AFFIANT SAYS NOT.
