

1 A No.

2 BY MR. SMITH:

3 Q But you agree that it is probable that you
4 received it?

5 A Could well be.

6 Q I am not asking you whether you remember it
7 at all. Excuse me.

8 I am not asking you whether you remember it
9 all, I am asking you having looked at the document,
10 the format of the document, the subject matter of the
11 document and so forth and the date, do you agree that
12 it is more likely than not that you did receive it?

13 A I can agree to that, yes.

14 BY MR. McGOWAN:

15 Q Now, what independent recollection, if any,
16 do you have as you sit here today of any discussion of
17 asbestosis or the hazards of asbestos that may have
18 come to your attention in the 1940s?

19 A State your question again.

20 Q What recollection, if any, do you have today
21 of any discussion or information about asbestosis that
