Samantha,

Thank you again for the time today. Our guys walked out of that meeting amazed at the marked difference between our meeting today and the reception at the EPA in years passed. Please holler if we can ever help. And as we discussed, in my conversation with Portman's chief, I mentioned that you guys were hoping to work with them on the Regulatory Accountability Act. Amanda Neely on his HSGAC staff is running point for his office.

Appreciate the time.

Best,
Jeff
