Thank you, Kristin. When I sent my note to JoDee Hanson, I wasn't aware that a chief of staff had been named for DOI. In follow up, I sent the below note to Wynn Radford. It would be great if we could meet with Wynn. Can you possibly help with that?

Many thanks,

Kjersten

Wynn:

Congrats on your new position at DOI! That is fantastic. I look forward to working with you in your new role. ConocoPhillips has a large presence on federal lands in New Mexico, North Dakota, and Alaska.

Also seeking your guidance on something. Our SVP for Global Operations, Kirk Johnson, and our President of ConocoPhillips Alaska, Erec Isaacson, are going to be in DC Feb. 19 and 20 for meetings. They would like to meet with the right person(s) at DOI to discuss some somewhat timely issues for us in Alaska. Would you be open to meeting with us? As there is no Deputy Secretary, ASLM or BLM Director yet in place, and we know nominees are unable to meet, we are trying to figure this out.

Really appreciate your consideration. I emailed Jodee Hanson earlier today for some guidance as well before realizing that you were over there serving as chief of staff. Someone had given me Jodee's name as someone who might be able to help.

Congrats again.

Best, Kjersten

Hi, Jodee,

My name is Kjersten Drager, and I work on ConocoPhillips' federal government affairs team here in DC. I was given your name as someone who might be able to point me in the right direction.

Our SVP for Global Operations, Kirk Johnson, and President of ConocoPhillips Alaska, Erec Isaacson, are going to be in DC Feb. 19 and 20 for meetings. They would like to meet with the right person(s) at DOI to discuss some somewhat timely issues for us in Alaska. As there is no Deputy Secretary, ASLM or BLM Director yet in place, and we know nominees are unable to meet, can you tell me who the right person might be?

I really appreciate your help!

Best, Kjersten
