Hi Andria and Anton,

Dan has a meeting on this at 3:30 today. Can you please send me clean copy of the agency reform plan reflecting OBPA's edits as necessary?

Thanks,
Larry

Good morning,

I have confirmed that the latest reform list is the same list we distributed in initial feedback, reordered per your suggestion in your 8/4/17 passback response. I am attaching it here for your reference. I also took the liberty of editing the reform narrative you submitted in your initial submission to align with the text in the latest list, although I did not reorder it because I figured it would get too messy in track changes. Unless you have further questions, I plan on taking down the calendar invite for today.

Thank you,
Mariel
