'Y' Groups to Plan for Fall

More than 75 delegates representing 40 Hi-Y and Tri-Y clubs in San Francisco, Marin county and San Mateo county, will hold their annual fall planning conference at the YMCA Camp Jones Gulch near La Honda this week-end. Leaving by chartered bus tomorrow morning will be more than 15 delegates representing the Peninsula high school youth. The two-day meeting will include discussions on improving Hi-Y and Tri-Y youth work in the high schools, recreation and consideration of a new program, the Hi-Y youth-in-government.

Headlining guest speakers will be Vaughan MacCaughey, editor of the Sierra Educational News. David Carr, son of Mr. and Mrs. Luther Carr of Burlingame, will be the toastmaster of the Sunday conference banquet, while Harry Marx, son of Mr. and Mrs. Harry Marx of San Mateo, will be chairman of one of the discussion groups. Beverley Heieck, daughter of Mr. and Mrs. Erwin Heieck of San Mateo, will be recorder of one of the discussion groups and L. E. Hixson of the Peninsula YMCA staff has been named as one of the conference resource persons.

Among the local delegates are Jack Kirkpatrick, David Carr, Large Mellema, Victor Subbotin, Mary Lou Hansen, Nancy Montoya and Jean Preston, all of Burlingame; Bob Jacobsen, Barry Shuttler, Harry Marx, Bev Heieck, Barbara Beveridge, Janet Quelland and Jane Bartlett, all of San Mateo. Russ Radio Called 'Niagara of Sewage'

LONDON, Sept. 24.—(AP)—Lord Vansittart, conservative former foreign secretary, coined a phrase today for the output of the Moscow radio and the Russian press.

"A Niagara of sewage," he called it in a house of lords debate.

Professor's Car Stolen While Registering

The last minute election registration of Prof. Giovanni M. Andreini of 685 Barriolhet street resulted in the theft of his automobile.

Leaving the machine at Baldwin and Ellsworth avenues, safely locked, he reported to police, the professor got to the city clerk's office at 9:15 p. m. last night, just in time to get in line before closing.

At 9:57 he was a registered voter—and also a pedestrian. His car had been stolen.

Scarcely an hour later, Patrolman Leo J. Allnehan spotted the machine in front of the New Deal club on North B street. He telephoned the owner to come and get it.

Andreini, formerly a professor of philosophy in Florence, Italy, is now retired from teaching.
