Troy-

Thank you for reaching out. The Governor will be unable to attend on Tuesday due to other travel/meetings.

Thanks again for the invitation. Please let us know if there are other opportunities to support Administrator Wheeler.

**Subject:** Sorghum Oil Pathway

Matt—I hope you are doing well. On Tuesday afternoon, Administrator Wheeler is going to host an event at EPA to announce the finalization of a RFS pathway for sorghum oil. I know that this has been an interest of the Governor's. Senator Fischer will participate in the event, along with a few other members. I do not know what the Governor's office availability is, but would love for the Governor to attend if he is able to.

I can send you more details if the Governor's schedule permits.

Many thanks,

Troy
