DATE: September 18, 1974

FROM: T. P. Feit

SUBJECT: MONOKOTE Formulations for Licensees

We should restrict licensees as follows:

I. MONOKOTE:

Robinson Insulation: MK5 only

Southwest Vermiculite: Not applicable

Texas Vermiculite: MK5 only

Vermiculite of Hawaii: Cancel all MK approvals for VOH

Vermiculite-Intermountain: MK5 only

Vermiculite Products: MK5 only

Placco/Antilles Perlite: Not applicable

F. Hyde: MK3 and MK5. At such time that Canada bans the use of asbestos containing sprayed products or when Grace Canada no longer markets MK3, F. Hyde should be restricted to MK5.

II. SPRAY INSULATION/VERMICULITE-INTERMOUNTAIN:

Vermiculite-Intermountain is listed as producing Spray-Insulation. Because this product contains asbestos, it should be cancelled from list.

III. F. HYDE:

Spray-Insulation and the various acoustical products should be cancelled when Canada takes action against the use of asbestos.
