San Francisco, Cal.

Gentlemen:-

DRAFT:

We acknowledge receipt of your private letter of the 9th inst., enclosing draft for \$500.00 which we have deposited to credit of general account.

LEHIGH LEADED ZINC:

Received your night letter message of the 13th inst., instructing us to order one car Lehigh Leaded Zinc for shipment Aug. 25th, which has had our attention.

When placing this order with the N.J. Zinc Co., their Mr. Bigelow called our attention to the fact that we have not had any contract for Lehigh Leaded Zinc for some time past, although we have had a number of shipments of this grade. He mentioned that there may come a time when they will be unable to supply this grade outside of contracts, and suggested that it might be well for us to protect ourselves in future by contracting for some of this material.

Very truly yours,

W. P. FULLER & CO.
