

Dr. Braun - Redirect

sheet I have in my hand from the proceedings of the tenth annual meeting in 1945 that lists the memberships of 1945, is that complete and accurate?

A. That would be accepted as complete and accurate.

Q. For 1945?

A. Yes.

Q. As indicated, for 1933 and 1939 there is no record. That is what you mean by being incomplete and inaccurate?

A. That is right.

MR. PYLE: I have no other questions.

MR. MILLER: Any recross?

(No response.)

MR. RILEY: Just a comment for the record. No recross. I reserve the right to call Dr. Braun in my own case in chief at a subsequent date.

MR. PYLE: Thank you very much,
Dr. Braun,

(Discussion held off the record.)

MR. PYLE: The doctor does not waive signature.
