Thank you.

I am currently in the ministerial conference on trade security and governance in Africa at the state department. I will check it out as done and will revert back to you once I have consulted my DCM.

Many thanks

Isam

Isam,

Good morning to you. We wanted to share our notional agenda with you and to kindly request your assistance in confirming the proposed meetings. Presently, we do not have any of them confirmed.

We would be glad to discuss at your convenience and look forward to working with you.

Also, please understand that while this is a draft document, we do ask that it not be distributed.

Thank you so much,
