WHITE STAR DIVISION

PLAINTIFF'S EXHIBIT

MBL-326

September 18, 1946

Mr. W. E. Thomas
Industrial Relations

Subject: Medical and
Health Service

In reply to your memorandum of September 5, the only location in this division in which there is a concentration of more than 300 people is the administration building in Detroit where there are approximately 350. The location of this building is such that it is reasonably convenient to our Wyoming and Avery Avenue Plants, where there are groups of approximately 150 and 100 respectively.
