Subject: Request for Secretary Duffy to Attend T&I Republican Member Retreat

Pete,

Following up on my text messages, I wanted to formally extend an invite to Secretary Duffy to come address our Members on February 5 any time between 230-4pm at the Library of Congress. Even if he can only come for 5-10 minutes to say hello and give brief remarks, his presence would mean a great deal to the Chairman and our Members. We would also welcome a representative from your Gov't affairs team to sit in and listen to the conversations to help the Department track our agenda/outlook early on. Again, I know a lot going on in the early days. So, the offer for your staff to attend is only if it is something that you all are interested/able to make work. If not, we will understand.

Please let us know if you have any questions about logistics, timing or substance. Happy to jump on the phone if that is easiest. You have my cell. So, call or text any

time. Additionally, Tyler is our director of operations and administration and will help coordinate with your team should the Secretary agree to participate.

Best,

Jack Ruddy
Staff Director
T&I Committee
