Dear Dr. Mancuso:

This will acknowledge your letter of February 5, addressed to the writer, asking for the information of supplying the dates of employment of individuals who were former employees of our company.

It is not usual company policy for us to reveal information of this kind unless the request carries with it an authorization which we would consider as necessary to comply with. We work with the State Dept. of Health in Pennsylvania and we are, of course, subjected to work with the U. S. Dept. of Health. We will be pleased to comply with your request if the information we have suggested can be provided by your State Dept. of Health or yourself, as representative of the State Dept.

Very truly yours,

H. E. Palm
