Subject: NBB/ASA letter to President Trump
Attachments: NBB ASA Letter to Trump on RVP 091918.pdf

Good morning,

I hope you are doing well.

I've attached a letter that the National Biodiesel Board and American Soybean Association are sending to President Trump today. Acting Administrator Wheeler was copied on the letter. A hard copy will follow. The letter asks the President to consider supporting policies that will provide certainty and growth to the U.S. biodiesel industry.

Thank you for your consideration. Please let me know if you have any questions.

Best regards,

Kurt

Kurt Kovarik
