Dr. Robert G. Kehoe,
Cincinnati, Ohio.

Dear Doctor:-

Mr. George Gebhard, Manitowish, Wis.
gave me the letter you wrote him
regarding the skin eruption I have been
treating him for, that is due to the
ethyl gasoline he handles. You
write that his doctor should
communicate with you; and hence
the reason I am writing you.

When he does not come in
contact with the gasoline, the
eruption is

I have been treating him for
about four months

... helpful suggestion you could
greatly

appreciate

Thanking you and hoping
to receive an early reply I remain,

Very truly yours,
