the number?

MR. SMITH: I am sorry. O-402 offered against Owens-Corning only.

THE COURT CLERK: Thank you.

MR. SMITH: Ford Exhibit Number 7, dated May 30, 1973, regarding the subject of brake repair dust collection with a current emphasis on work safety regulations and the disturbing site of asbestos dust blowing throughout a shop, other mechanics have noted it, too, I think we might find a renewed dealer interest in such a tool.

THE COURT: It will be admitted in evidence.

(Whereupon, Plaintiffs' Exhibit Number Ford 7 was received into evidence.)

MR. SMITH: Thank you, Your Honor.

The next exhibit is Ford Exhibit 10 dated June 19, 1973.

THE COURT: It will be admitted in evidence.

(Whereupon, Plaintiffs' Exhibit Number Ford
