SPECIAL INSTRUCTIONS

We have requested the agent listed below to provide you with a copy of a Spanish text of the subject application which you should use in filing a corresponding application in your country.

We have requested this agent to advise you of his ability to provide you with copies of a suitable text in time to meet the filing deadline. If he advises you that he cannot meet the deadline, you should proceed to prepare a suitable text on your own.

Please examine the text when received from the agent and make any corrections or revisions you feel necessary to conform to the practice in your country. It will not be necessary for you to send us file copies of the specification as filed in your country since we will receive this from the agent listed below. You should, of course, advise us of any revisions you may make in the text as filed in your country.
