Christy Ford Chapin, Associate Professor, University of Maryland, Baltimore County;

moderated by

George Selgin, Director, Center for Monetary and Financial Alternatives, Cato Institute.

Borrowed Time: Two Centuries of Booms, Busts, and Bailouts at Citi explores the alarming, untold story of Citigroup, one of the largest financial institutions in the world. The book follows Citi from its founding as the City Bank of New York in 1812 to its role in the 2008 financial crisis — and its many near-death experiences and government bailouts in between. Join us for a roundtable discussion with the authors.

Registration

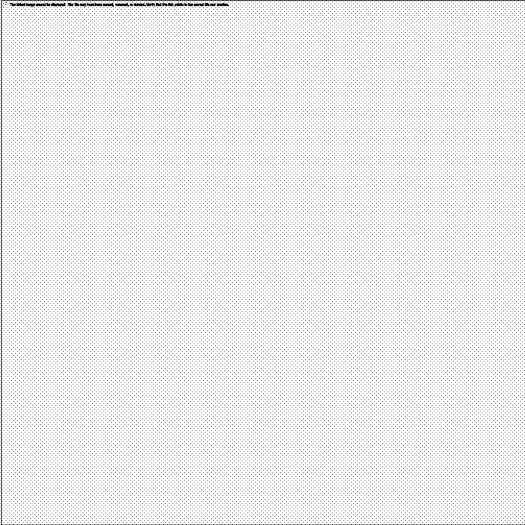

This book forum is free of charge.

To register to attend this event, click the button below and then submit the secure web form by 4:00PM EDT on Friday, September 21, 2018. If you have any questions pertaining to registration, you may e-mail events@cato.org.
