

Re. ZETIS/FRIEDMAN
AEX ANS TO ROGS

14. Has defendant ever sold, supplied, or distributed any asbestos product(s) to any person or entity who is a defendant or third party defendant in the present matter, at any time from 1940 to 1975? If so, as to each such person or entity, state:

Yes.

a. the name and address;

Bendix Corporation, Auto Controls Systems Group

P.O. Box 4001, 401 Bendix Drive

South Bend, Indiana 46634 (CONTINUED ON ATTACHED RIDER)

b. the terms of any and each agreement, pertaining to asbestos products, made between this defendant and each such person or entity;

No formal agreement; supplied on negotiated purchase price.

c. the generic, manufacturers, brand and/or trade name of each type of asbestos product which was sold, distributed, or supplied by defendant to each said person or entity, and the number of each said product sold, supplied, or distributed per year to each said person or entity by this defendant;

Bendix Corporation, Ford Motor Company,
General Motors Corporation

d. the manufacturer's name, model and year of each and every model of motor vehicle which the aforesaid asbestos product(s) was intended for or designed for use in;

Brake linings for various O.E. and O.E. service vehicles
produced from 1940 - 1975.

e. a detailed description of the packages in which defendant sold, supplied, or distributed asbestos products to any of the persons or entities referred to above, particularly listing the dates each type of package was utilized in reference to each person or entity, and setting forth the color, shape, dimension, and material composition of each said package, as well as a description of all printed materials, trademarks, writings, or numbers which appeared thereon;

Boxed parts various labels and changes as required by customers.

f. the type, grade, weight, and percentile of asbestos in each type of product sold, supplied, or distributed, and if there was ever any change in the type, grade, weight, or percentile of asbestos in any type, set forth the type, grade, weight, and percentile of asbestos both before and after the change, and state the respective dates of the change.

See 13 (c.)
