

WHITE LEAD PROMOTION PROGRAM**LEAD INDUSTRIES ASSOCIATION**

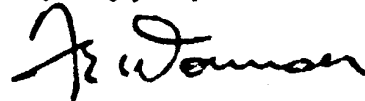

Graybar Building, 420 Lexington Avenue
New York, N. Y.

June 22, 1940
Bulletin No. 24
"New Lumber and Paint Keep
Your Home Always in Style"

To Members Supporting the White Lead
Promotion Program

At the request of the National Lumber Manufacturers Association we prepared the attached four-page leaflet on "New Lumber and Paint Keep Your Home Always in Style." These leaflets are being distributed by the National Lumber Manufacturers Association, without cost to us, through their National Small Homes Demonstration Program to a selected list of 25,000 leading lumber dealers and builders, cooperating with the lumber industry's promotional efforts.

Very truly yours,

Secretary.
