scientists all over the world in the organization called the Collegium Ramazzini?

A Yes, sir, in 1988 there were two international scientists selected, Dr. Clemmesson from Denmark and Dr. Mancuso, myself, from the United States.

Q Doctor, the jury has heard the name American Conference of Governmental Industrial hygienists.

Have you held an office in that organization?

A Yes, sir.

Q What office did you hold?

A The highest office was chairman in 1958, sir.

Q Did you hold that office?

A Yes, sir.

Q Have you published any articles in the scientific literature, Doctor, that dealt with asbestos disease?

A Yes, sir.

Q Can you tell us approximately how many?
