Re: Nevada Power vs. Monsanto et. al.

Dear Mr. Merrell:

While on vacation (July 28th to August 11th) I plan to spend 2 hours a day on this case. I will be taking the relevant literature with me. Once I get back and prior to my deposition I plan to spend an additional 12 to 16 hours on it, depending of course on when I am deposed. This time will be charged at a rate of \$180/hour.

As we discussed my fee for deposition and trial testimony will be \$360/hr from the time I depart my home or place of work in Madison, Wisconsin until I return (portal to portal).

Thus, my anticipated total consulting expenses in August will exceed \$5,000. If there is a problem with this please contact me at (608) 263-5453 before I leave for vacation.

Sincerely

Richard E. Peterson, Ph.D.
