Mr. Manfred Bowditch, Director,
Division of Occupational Hygiene,
The Commonwealth of Massachusetts,
23 Joy Street,
Boston, Massachusetts.

Dear Manfred:

A thousand thanks for the paper by Dr. George and Dr. Leonard on the asbestos situation. It is a scholarly work and I have read it with a lot of interest.

I am still aware of the fact that I ought to be getting together with you but, on the othernand, the problems incident to the present upset conditions of the world seem to be multiplying rather than lessening, and I am pretty nearly frantic.

Sincerely yours,

BD:EB
