

Master File
ASBESTOS

To Mr. Paul E. Toth	At Room 295 - World Headquarters
------------------------	-------------------------------------

Paul,

Herewith asbestos substitute information you requested.

We have requested up-to-date product information from each of these suppliers - will copy you once they arrive.

In addition, we will continue to look for other good substitute materials.

Signed Ronald M. Kersten	Dept or Location Ind. Hyg. - Central Lab.	Date August 11, 1978
