

1 about this morning, about the worst pain you know;
2 does it say that anywhere in the medical records?

3 A No.

4 Q I am not suggesting this is not a horrible
5 experience for him, but you talked about pain this
6 morning and I want to go through the notes.

7 Doctor, he died -- where did he die? Did he
8 die at home or in the hospital?

9 A I didn't memorize his records. I would be
10 happy to look at his chart and answer the question.

11 Q On another note here, and I am almost
12 finished, Doctor.

13 Mr. Ignatowski asked you about his exposure
14 to Kaylo and things like that, and you said that that
15 was a substantial cause.

16 Do you have your report that you issued to
17 the lawyers for March 7th, 1996?

18 A Yes.

19 Q Now, you were asked then what caused his
20 mesothelioma, and I will read the last paragraph, and
21 tell me if I am reading it right.
