Hi [REDACTED]

AGCCE have been contacted by the Duchy of Lancaster (who are land owners for much of Morecambe bay and some of the surrounding land) in relation to EEA-NH4 emissions and the EA evaluation report on this substance that was published on the 4th April. On their letter, they note that they have contacted the EA. Are you able to share if and what the EA reply is likely to be?

Happy to have a brief call to discuss.

Kind regards,

[REDACTED]
