Subject: FW: please supply grid references - part 2

Hi [REDACTED]

[REDACTED] just pointed out to me that it would save you work if I'd specify that we require the grid references for emissions modelling, so grid references for emergency generators for example are not required.

Apologies &
[Kind Regards](#)

Subject: please supply grid references

Hi [REDACTED]

Could you please send us the grid references of AGC's emissions points to air and water?

Thanks &
