Subject: Requesting press credentials for 8/4 Administrator Pruitt's GK Mine tour

Christie,

In the spring, I contacted some Deputies under Administrator Pruitt to request that the Administrator tour the Animas Watershed, and learn about the Gold King Mine Spill. This tour on 8/4 is a result of no effort of mine, yet I am pleased he is coming here.

For Friday's tour with EPA Administrator Pruitt, I am requesting to tag along and get video coverage of the Administrator's remarks.

I have been covering this issue since 2001, and I have experience shooting video underground. My request also includes access into the Gold King # 7 Level mine portal.

Any assistance you are able to provide, for me to get video of this event, would be greatly appreciated.

Thanks!
