It was an unexpected pleasure meeting you last week. Thank you for giving your valuable time to join us. AA Wehrum opened the doors to renewing our interactions with EPA beyond what we could have hoped for. It is our sincere belief that our programs are the ultimate example of Cooperative Federalism and that we can be a value-add and force multiplier to your agency. I have attached a one-page flyer that might give a quick glimpse into what we do. If I might be so bold, I'd love to steal just a little more of that valuable time to discuss our program and our needs at the Regional and State levels. Please feel free to call me anytime.
