Anyway, in my tenure, I believe among other roles Tom was Assistant Secretary PMB and Ed Cassidy as his top / ace or Principal DAS PMB. I think it was Ed who signed off on my joining.

If you have a minute - at any time over the days ahead - I would love to share a qualified name, person to join the team at DOI. I do not know Lori Mashburn, but believe she would be very pleased to have a chance to visit with and meet Nic Franklin.

Just last week, Nic was meeting with Joseph Uddo (I think Lori's counterpart at Dept. of Energy) and I know that meeting went well. However, in meeting with and spending time with Nic, I am sure that he could make valuable contributions to the work you all are doing.

For now, I won't burden you with more, but please let me know if I can reach out to Catherine (?she may have been just helping you at Water, but possibly broader) to try to schedule a couple minutes on your calendar for a call or visit.

All the best, Carter Cornick (cell: (b) (6))

Scott - again, so many thanks for your email and perhaps a second try to me earlier this week. I have just taken a long shot chance to reach you in the office and left a short voice mail. If you have another couple minutes to spare - anytime over the next few days, I am sure you will not have wasted your time. I have one mtg today that I will not be able to step out of between 1:30-2:30pm, but aside from that I should be good.
All the best, and looking forward to talking when you can come up for air. Carter
