Cont'd

ΔPrices of pushbutton stations with one or more indicating light elements cover 115 volt lamps. When pushbutton is to be used with A-c control for 220 or 440 volts, a 6 volt lamp with 220/6 or 440/6 volt transformer may be used in place of the 115 volt lamp. The 6 volt lamp with transformer is an integral unit mounted within the pushbutton case. Add to prices listed above for 6 volt lamp with transformer in lieu of 115 volt lamp $12. per indicating light element. Add spare transformer $10.
