Gentlemen:

Corrugated Transite
Columbus Bog House
Your Order No. A-2346
J-M Order No. N-15115, Part B
The quotation is based on the information furnished by you in the quotation and on the drawings which were furnished by you. It is not intended to be a contract and is subject to change without notice. It is also subject to the terms and conditions of our standard contract which is attached hereto. We are pleased to submit our quotation for the material which will be required to cover the sides and ends of subject building with J-M 4.2 Corrugated Transite. As per our telephone conversation of March 17th, we have placed the material listed below on our Naukegan, Illinois factory for shipment with the material for the roof which was required during the month of April.

J-M 4.2 Corrugated Transite Sheets Type X

125	10 feet 6" long	\$ 6.30 per sheet	793.80
125	9 feet 6" long	\$ 5.70 per sheet	79.80
200	2 1/2" wide	\$ 3.97 per C	7.94
600	2 1/2" wide	\$ 3.16 per C	18.96

Lead Head Bolts

600	1/4" x 8" long	\$ 49.25 per M	29.55
200	1/4" x 4" long	\$ 31.05 per M	6.39
200	1/4" x 2" long	\$ 23.79 per M	4.76

TOTAL--- \$ 994.00

For the above bill of materials, we are pleased to quote you the net price of \$994.00 f.o.b. our factory Naukegan, Illinois with freight equalized with nearest point.

We estimate that the above bill of materials will weigh approximately 22,600 pounds.

The freight charges for this material will be additional.

Terms of payment are net 30 days.

The foregoing quotation does not include any sheet metal or lead flashing or items other than those called for on your drawings and in quantities mentioned.

Please note that the quantities are approximated and you will be billed only for materials which will be required after the actual take off is made from final design plans.

May we again mention that this material will be shipped with the material which was required for the roof of this particular building which was placed on our factory under your order No. A-2346.

Will you be kind enough to issue to us a confirming order for the above bill of materials.

We regret that due to prevailing conditions, it is necessary that all prices and terms of payment quoted you be subject to change without notice. Materials will be invoiced at prices and terms of payment in effect at time of shipment.

We wish to thank you for receipt of subject order and trust that this quotation meets with your entire approval. We at the present time are making the necessary erection drawings which will be required for fabrication of this material and will be submitted for final approval.

Very truly yours,
