Subject: RFA meeting request to discuss E15 and SREs

Hi Aaron and Abbie-

I hope all is well on your end.

On behalf of myself and RFA CEO Geoff Cooper, we would request a meeting with the both of you to discuss the options for emergency waivers this summer and also to discuss options regarding the pending list of small refinery exemptions. We have some ideas on both of these issues and would like to share them with you.

In order to maximize convenience for all, we would welcome a virtual meeting with both of you at your earliest convenience either this week or next week.

Please let me know what might work on your end and we can get a zoom or teams meeting on the calendar.

Thanks in advance for considering our request.

Best,

Troy Bredenkamp
