To make this all work, it would be really good if we could just meet at the EPA. These days are pretty hectic and sometimes it is hard to get away. How about 11 or 1 on Friday?

Great! Thank you for the help, Mr. Kelly. How's Thursday or Friday for breakfast or lunch at the Old Ebbitt Grill? Or we'd be happy to come down to EPA, if you'd rather meet there. Just let me know what day and time works for you and we'll make it work; I'm sure our schedules are more flexible.

Best,
Jack

Hello Mr. Barrow. Yes, I have reviewed the material. I sent Mr. Grundler a request for status and a path forward. He has been out until today. I will circle back with him tomorrow. If you wish to meet, this week is going to be better than next. I am in all week.

Kell -- I hope you had a great weekend. I know you're extremely busy, but I just wanted to check-in: have you had a chance to review the materials I sent over after our call earlier in August? And would it be possible for us to sit down and visit in person sometime this week or next?

Let me know what's best.

Thank you,

Jack
