Summer Round Up by Menlo Park PTA to begin tomorrow

The date for its annual Summer Round Up for pre-school children has been advanced one week by the Menlo Park Parent-Teacher Association to tomorrow, at 9 a.m., at the Central School.

Dr. Ruth T. Smith, Dr. R. J. Lough and the school dentist will be present to examine children who will enter school next

year. Mrs. George Carter is in charge of the round up and will be assisted by Mrs. A. H. Turner and Bess Morosoff, the school nurse.

The PTA unit has postponed May 2, at 8:30 p.m., the party which it had planned for any day of this week. The party will be held at the Central School, with Mrs. Glenn Wild as chairman. Score cards will be 25 cents, and refreshments 10 cents. Proceeds will be placed in the school's child welfare fund. The public is invited.

The unit members are continuing weekly meetings on Wednesday at the Allied Arts Guild in Menlo Park to sew for the Red Cross from 10 a.m. to 4 p.m. Men of the community are invited to participate in these meetings. Those who attend bring their own lunches, and coffee is available at the guild.

CHARLES ORME, director of a summer camp at Mayer, Ariz., is spending a few days in Palo Alto as a guest of Mr. and Mrs. Nelson Howell.
