

December 9, 1946.

Dr. A. J. Lanza,
Associate Medical Director,
Metropolitan Life Insurance Company,
New York 10, N. Y.

Dear Doctor Lanza:

I shall be very glad to do what service
I can in reading Roy Gardner's uncompleted report
on Asbestosis and in making such suggestions as I
may be able.

He was with us just about this time last
year, and I consider his loss to science is a major
one.

With best personal regards, I am

Sincerely yours,

Kenneth M. Lynch, M. D.,
Dean.
