Subject: SHS... status of IPHS database ?

Dear Rich (or Rob) -

The Technical Committee has asked for an update on the current situation re: the IPHS database, e.g, nature of barriers surrounding this issue and whether issues have been resolved, are on the path toward resolution, or is a lost cause?

Do you have time for a brief reply, or instead, propose a date for the next PI call (we could use one of these, in any case)...

Thank you!

Best Regards - Bruce.
