Mr. F. J. Fitzgerald
Monsanto Co.
St. Louis, Mo.

Dear Mr. Fitzgerald:

I read in yesterday's N. Y. Times that your Company plans to phase out the manufacture of PCBs which are poisoning our rivers.

I am just writing to thank you for taking this action. It is good to know that some of the big companies still consider public health and pollution. Eliminating this chemical will go a long way toward cleaning up our rivers.

Very truly yours,

Jeanne Kronman
Mrs. Albert Kronman
