To: P. E. Robinson
From: J. F. Cole
Subj: CONSULTANT FOR EAGLE-PICHER INDUSTRIES

Phil:

Mr. Carter in his letter of April 25 to Jack Kimberly apparently wants someone from the Midwest area to serve as a consultant ~~of~~ them. While I don't know how they would feel about it, I would suggest that Mr. Carter contact either Dr. Pierce or Dr. Clyde M. Berry. Both of these Midwesterners are well respected. Of the two, I do think Pierce would make a better witness.
