Re: Nevada Power Company v. Monsanto Company, et al.
USDC, District of Nevada Case CV-S-89-555-LDG (LRL)

Dear David, Roy and Carol:

Pursuant to a court order issued this morning, we are attempting to gather any and all copies of documents that Monsanto has portrayed to the Court were inadvertently disclosed to this office pursuant to a request for production propounded by Nevada Power. On review of the situation, we have reason to believe that each of you might have copies in your possession. The documents bear Monsanto's bates numbers as follows:

NEV 034520
NEV 034724
NEV 035011-035016
NEV 040855-040863

Please review any and all documents in the Nevada Power v. Monsanto case that are available to you and return to this office any of the above-listed documents you locate forthwith. DO NOT RETAIN ANY COPIES OF SAID DOCUMENTS.

Further, I must ask you to inform me if you have any reason to believe that these documents have been further disseminated. If so, please provide me with any information of such dissemination you have available to you. We are obligated to attempt to retrieve any and all copies that have already been

distributed at this time. We will return these documents to anyone with an interest in them should there be a further ruling of the Court that they do not meet the privilege test(s) asserted by Monsanto.

Your cooperation in this matter is greatly appreciated.
I look forward to your immediate response.

Sincerely,

BRADLEY & MERRELL
