Hey Alex –

More info on the text I sent you.

I know you all are incredibly busy at the moment, but I have been asked to see if the Secretary is taking high level meetings with industry leaders. A close partner of our broader network who leads a major energy start up (b) (4) is extremely excited about the work Secretary Wright is doing and would love an opportunity for some kind of touchpoint.

I am sorry to be a bit cryptic and I am happy to share more in-depth information over a call if you all are interested.

Let me know and happy Friday!

Katelyn
