Dr. D. O'Connor,
Environment and Occupational Health
Division,
1/7 O'Connell St,
SYDNEY. N.S.W. 2000.

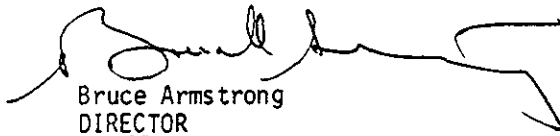

Dear Dr. O'Connor,

Further to our recent discussions about the employment of someone to work on the old Wittenoom records held at the CSR offices in Cottesloe, I have spoken to the person I mentioned and she would be very interested in taking on this work on a part-time basis.

She is Mrs. Jocelyn Crabe of 16 Hawkstone Street, Cottesloe, telephone (09) 383 2067. As I mentioned she is a qualified social worker but has done clerical work for us and is both able and intelligent and willing to work at what might often be considered as rather boring positions.

I have told Mrs. Crabe that you will contact her direct.

Yours sincerely,

Bruce Armstrong
