VISTA

To Tom

Date 29 Sep. 87

Attached is the AIHA application that I mentioned last week. I've asked John Kekus, who is Director of Occupation Safety and Health for MOSH to be my other sponsor. He recommends that I apply for Full member status, which was my plan.

I appreciate your willingness to write my letter for me. I am including an addressed, stamped envelope. Please send the application and the letter directly to AIHA when you're finished. Please send me a copy. Thanks again.

RE: U.S. v. Conoco

Gentlemen:

Pursuant to the Asset Purchase Agreement dated as of July 20, 1984, among E.I. Du Pont de Nemours and Company, Conoco Inc., and Vista Chemical Company, and the Consent Decree entered in the above action, we hereby provide notice of recently-discovered information which may lead to the filing of an Environmental Claim.

On October 3, 1987, the Vista Oklahoma City plant experienced a vinyl chloride release which resulted in emissions above the reportable quantity. The appropriate state and federal agencies were notified. Please contact me if you have any questions regarding this matter.

Sincerely,

Thomas G. Grumbles, C.I.H.
Environmental Quality Manager
