Dear Mr. Danehower:

In reply to your letter of September 25, I am pleased to inform you that I have taken steps to revise the standing plate for page 16 of our bulletin entitled, "The Aroclor Compounds."

We are adding an asterisk after the word "example" and the following footnote:

* Covered by U.S. Patent No. 2,921,911, issued Jan. 19, 1960 and assigned to Pennsalt Chemicals Corp.

We have previously noted the correction of the typographical error on hypochlorite.

We are pleased to comply with your request to refer to this patent the next time we reprint this bulletin.

Sincerely,

Lewis S. Stone
