THE DEAN — EDEN AND BETHESDA AVENUES

September 23, 1964

Mr. W. M. Carson
Vice President and General Manager
Marwa's Steel Company
6466 Gayhart St.
Los Angeles, California

Dear Mr. Carson:

I am referring your recent letter concerning solvents and similar volatile materials to Dr. Robert Kehoe the Director of our Kettering Laboratory for Industrial and Occupational Health. I feel sure that you will hear from Dr. Kehoe directly in the very near future and I am also that he will be able to help you.

Sincerely,

Clifford G. Grules, Jr., M.D.
Dean
