Mr. W. T. Palmer, P.E.
Texas Air Control Board
Region V Director
5602 Old Brownsville Road
Corpus Christi, Texas 78415

Dear Mr. Palmer:

The Celanese Engineering Resins, Inc. Plant at Bishop, Texas is planning to remove approximately 330 square feet of asbestos insulation from a piece of process equipment. This equipment is insulated with "block" asbestos insulation and is covered with a thin aluminum skin wrapping. The insulation will be removed and landfilled in the designated asbestos landfill located in the plant site. All precautions outlined in 40 CFR 61.147 will be observed.

This letter will serve as a notification of this work, as required by 40 CFR 61.146. The attached data sheet lists all the pertinent data.

Please contact me if you have any questions or comments.

Sincerely,

CELANESE ENGINEERING RESINS, INC.

A handwritten signature in dark ink, appearing to read 'D. G. Pausky', is written over the typed name.
